Product List

Product Name	D02-M15SAG-20L9E
Status	Active
RoHS compliant	Yes
Series Name	D02-M15 series
Connector types	PCB mount type receptacle
EMI shielded	TRUE
Wire termination styles	-
PCB mounting styles	Soldering
SMD flag	FALSE
Number of contacts	15
Shell size	E
Contact types	Socket
Connector styles	Right angle
Applicable wire size	-
Shell types	-
Material of insulator	Glass filled PBT (UL94V-0, Black)
Contact	With contacts
Mating side contact finish	Gold plating
Mounting area contact finish	Tin or Tin-alloy plating
Mounting method	Hook lug (Earth lug)
Screw lock assembly	Hexagon(Short type):#4-40UNC
Existence of ferrite	None
Applicable contacts	-
Use with accessories	
Remarks	
Related Documents	DWG 153Kbytes
Pair	D02-M15PG-N-F0

Notice:

1.The values specified in this web site are only for reference. The products and their specifications are subject to change without notice. Contact our sales staff for further information before considering or ordering any of our products.
For purchase, a product specification must be agreed upon.
2.Users are requested to provide protection circuits and redundancy circuits to ensure safety of the equipment, and sufficiently review the suitability of JAE's products to the equipment.
3.The products presented in this web site are designed for the uses recommended below.
We strongly suggest you contact our sales staff when considering use of any of the products in any other way than the recommended applications or for a specific use that requires an extremely high reliability.
(1) Applications that require consultation:
(i) Please contact us if you are considering use involving a quality assurance program that you specify or that is peculiar to the industry, such as:
Automotive electrical components, train control, telecommunications devices (mainline), traffic light control, electric power, combustion control, fire prevention or security systems, disaster evention equipment, etc.
(ii) We may separately give you our support with a quality assurance program that
you specify, when you think of a use such as :
Aviation or space equipment, submarine repeaters, nuclear power control systems, medical equipment for life support, etc.
(2) Recommended applications include:
Computers, office appliances, telecommunications devices (terminals, mobile units), measuring equipment, audiovisual equipment, home electric appliances, factory automation equipment, etc
