

SANDISK ULTRA microSD UHS-I CARD

For Full HD video, better pictures and faster app performance

Where to Buy SanDisk Memory Cards

SHOOT, SAVE, AND SHARE MORE THAN EVER BEFORE

Capture life at its fullest with the breakthrough capacity of this 256GB microSD™ card. 256GB* means that you never have to worry about what to delete. Rated A1 for faster app performance to launch and load apps faster than ever before. Built to perform in harsh conditions, SanDisk Ultra microSDXC UHS-I cards are waterproof, temperature-proof, shockproof, and X-ray proof³. The 256GB* microSD card is rated Class 10 for Full HD video² recording performance and comes with an SD™ adapter and a 10-year limited warranty⁴.

COMPATIBLE WITH YOUR DEVICES

SanDisk® cards are compatible with Android smartphones, tablets and interchangeable-lens cameras.

PREMIUM TRANSFER SPEEDS OF UP TO 95MB/S**

Your content moves blazingly fast. Now you can transfer up to 1200 photos in just one minute⁴.

MAKE YOUR APPS FASTER

Rated A1, the 256GB capacity SanDisk Ultra® microSD card is optimized for apps, delivering faster app launch and performance which provides a better smartphone experience.

FULL HD VIDEO CAPTURE

With a breakthrough capacity of 256GB* on this microSDXC card, you can store up to 24 hours of Full HD video² without worrying about running out of room for all the high-resolution videos and photos, music, movies and other files you want to shoot, save and share.

SANDISK® MEMORY ZONE APP FOR EASY FILE MANAGEMENT

Available from the Google Play™ store, the SanDisk Memory Zone app lets you view, access, and back up your phone's files in one location⁵. It can also automatically move files from your device to your memory card to free up space.

DURABLE DESIGN FOR USE IN HARSH ENVIRONMENTS

SanDisk Ultra microSD UHS-I Cards are shockproof, temperature-proof, waterproof, and X-ray-proof³ so you can enjoy your adventures without worrying about the durability of your memory card.

NO MORE WORRYING ABOUT WHAT TO KEEP AND WHAT TO DELETE

Shoot photos and Full HD video² continuously without having to worry about running out of space. Capable of storing up to 24 hours of Full HD video², the SanDisk Ultra microSDXC UHS-I Card lets you shoot, save, and share without interruption.

INCLUDES SD ADAPTER

SanDisk Ultra microSD UHS-I cards give you the freedom to keep all your digital files with you on your smartphone or tablet. Plus, the included SD™ adapter lets you move files easily among other SD compatible devices, such as digital cameras and computers.
