DESCRIPTION	DETAILED SPECIFICATION	PROP 65 WARNING
The Supernano certified 1TB 3.5" SATA3 7200RPM (WD1003FBYZ) hard drive offers high capacity and energy efficient without sacrificing performance for reliable access to bulk storage. Each and every hard drive is validated and Supernano certified to ensure performance, stability and reliability. This HDD provides a 25% nearline performance boost over competitive offerings to help meet your Service Level Agreements which also helps lower your TCO by providing the highest capacity drive to meet your expansive data growth.
