Specifications

## InRow RD, 600mm Air Cooled, 380-415V, 50/60Hz

ACRD602

### Main

|                     |                                                                                                                                                |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Main Input Voltage  | 380 V 3 phases<br>400 V 3 phases<br>415 V 3 phases                                                                                             |
| Number of rack unit | 42U                                                                                                                                            |
| Provided equipment  | Door key<br>Installation guide<br>Integrated network management<br>Network management card<br>Operations and maintenance manual<br>User manual |

### General

|                      |             |
|----------------------|-------------|
| Compressor type      | Scroll      |
| Air discharge option | Horizontal  |
| Intake air option    | Rear return |
| Air flow             | 1887.8 l/s  |
| Inrush current       | 28 A        |
| Condensate pump flow | 0.1 m3/h    |
| Tube material        | Copper      |

### Physical

|                     |                    |
|---------------------|--------------------|
| Colour              | Black              |
| Height              | 199.1 cm           |
| Width               | 60 cm              |
| Depth               | 107 cm             |
| Product weight      | 391 kg             |
| Mounting preference | No preference      |
| mounting mode       | Not rack-mountable |

### Input

|                            |                             |
|----------------------------|-----------------------------|
| Number of feeders          | 1                           |
| Input power                | 14600 W                     |
| Network frequency          | 50/60 Hz                    |
| Number of input connectors | 1 hard wire 4-wire (3P + E) |

### Conformance

Disclaimer: This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications

|                        |                     |
|------------------------|---------------------|
| Product certifications | C-Tick<br>CE<br>EAC |
|------------------------|---------------------|

## Environmental

|                                       |              |
|---------------------------------------|--------------|
| Ambient air temperature for operation | -20...50 °C  |
| Relative humidity                     | 5...95 %     |
| Operating altitude                    | 0...10000 ft |
| Acoustic level                        | 84 dBA       |

## Communications & Management

|               |                                              |
|---------------|----------------------------------------------|
| Control panel | Multifunction LCD status and control console |
|---------------|----------------------------------------------|

## Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 218.44 cm |
| Package 1 Width              | 86.36 cm  |
| Package 1 Length             | 114.3 cm  |
| Package 1 Weight             | 434.18 kg |

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 12 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Use Longer

| Lifetime extension |    |
|--------------------|----|
| Repair             | No |

### Use Again

| Repack and remanufacture |                                                                                                                             |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Take-back                | No                                                                                                                          |
| WEEE Label               | The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
