WHERE TO BUY

Search Results for: EMMC08G-M325-E51U

Your search found the following Harmonized Tariff Schedule (HTS) numbers* and Export Control Classification Numbers (ECCN)*.

Kingston #	Description	HTS #	ECCN #
EMMC08G-M325-E51U	eMMC 5.1 (HS400) 153B 8GB/4GB 15nm pSLC	8542.31.0001	EAR99

* Kingston is providing an Export Control Classification Number (ECCN), and/or Harmonized Tariff Number (HTS) and CCATS authorizations (if applicable) as a general guideline to our customers and partners. Kingston makes no warranties or representations as to its accuracy. Please note that these classifications are subject to change. The materials on this site are also not intended to constitute legal advice or to be used as a substitute for specific legal advice from a licensed attorney. In addition, some of our products contain encryption and some countries may restrict certain levels of encryption imported into their country. Kingston expressly disclaims any liability whatsoever, including but not limited to direct, indirect, incidental, special or consequential damages in connection with or arising from the furnishing of the information provided herein.
