Thank the Maker Tee - XXL

SWG-14470

DESCRIPTION FEATURES

For the first time in a long while we are happy to bring you our first limited edition shirt! This XXL light weight dark gray shirt has been emblazoned with the immortal words of our favorite golden robot thanking each of you, Makers. On the back of this fitted mens cut tee also has our SparkFun emblem and our moniker to Start Something.

These shirts do run small so may need to purchase a size larger to fit.

Note: This shirt is available only for a limited time. When that time is up this shirt will be replaced with the next design and the "Thank the Maker" shirt will be gone forever. Get it while you can!

In 2003, CU student Nate Seidle blew a power supply in his dorm room and, in lieu of a way to order easy replacements, decided to start his own company. Since then, SparkFun has been committed to sustainably helping our world achieve electronics literacy from our headquarters in Boulder, Colorado.

No matter your vision, SparkFun's products and resources are designed to make the world of electronics more accessible. In addition to over 2,000 open source components and widgets, SparkFun offers curriculum, training and online tutorials designed to help demystify the wonderful world of embedded electronics. We're here to help you start something.
