

Intel® Omni-Path Cable

タグ: [ファブリック製品](#) [InfiniBand](#) [ハイパフォーマン](#)

Intel® Omni-Path
Fabric 100 Series

Intel® Omni-Path
Fabric 100 Series

Intel® Omni-Path Fabric solutions are the industry's leading providers. These solutions provide highly reliable communication

Notes:

1. The validated cable list is subject to change without notice.
2. Only the listed length/gauge/vendor combinations have been validated by Intel. Different length/gauge/vendor combinations may not work.
3. Additional cable lengths and vendors are planned to be validated in the future.
 - Other names and brands may be claimed as the property of others.
