WOEBAT2YR-G3-20 Features

(2) Year On-Site Warranty Extension Srvc for up to (4) Internal Batteries for (1) G3500 or SUVT UPS

7x24 Upgrade option	If you are like most businesses, you want your systems up and running during your busiest hours. In order to accommodate your busy schedule, APC offers an option to schedule services off hours. We will work with you to find a time when servicing your system is least likely to impact your productivity, saving your business time and money.
Experienced Certified Field Service Engineer	Our factory trained Field Service Engineers are rigorously trained and tested on how to efficiently service our products, as well as on safety practices and electrical codes, offering our customers the highest level of service available in the industry today.
Labor and travel expenses included	Travel and labor expenses are included in most service contracts. Please see the statement of work for the service specifics.
On site troubleshooting	While on site, our APC Certified Field Service Engineers, backed by years of industry experience, will diagnose any errors directly, ensuring accuracy of any corrective actions taken.
Parts included	Replacement parts & components are included with some service contracts. Please see the statement of work for service specifics.
Technical support	Our experienced technical support engineers are available to answer your questions, giving you peace of mind knowing the help you need is there when you need it.

Service Plans Features & Benefits

Serviceability

Environmental inspection	In order to ensure that your system is installed in a suitable environment for optimal functionality, we will inspect the site for conditions that might damage your system, such as excessive heat or humidity.
Service Summary Report	Provides a detailed report of work performed including recommendations for service to ensure optimal performance
Technical support	Our experienced technical support engineers are available to answer your questions, giving you peace of mind knowing the help you need is there when you need it.
Onsite diagnostics & repair	While on site our Certified Field Service Engineers will diagnose, repair and test the unit to ensure optimal performance.
Flexible on site response times	Choose an on site response time that best meets your business requirements and budget
Labor and travel expenses included	Travel and labor expenses are included in most service contracts. Please see the statement of work for the service specifics.
Experienced Certified Field Service	Our factory trained Field Service Engineers are rigorously trained and tested on how to efficiently service our products, as well as on safety practices and electrical codes, offering our customers the highest level of service available in the industry
