**Approvals and Compliances**

Detailed information on product approvals, code requirements, usage instructions and detailed test conditions can be looked up in [Details about Approvals](#)

SCHURTER products are designed for use in industrial environments. They have approvals from independent testing bodies according to national and international standards. Products with specific characteristics and requirements such as required in the automotive sector according to IATF 16949, medical technology according to ISO 13485 or in the aerospace industry can be offered exclusively with customer-specific, individual agreements by SCHURTER.

**Application standards**

Application standards where the product can be used

| Organization                                                                        | Design                         | Standard       | Description                                                                                                          |
|-------------------------------------------------------------------------------------|--------------------------------|----------------|----------------------------------------------------------------------------------------------------------------------|
|  | Designed for applications acc. | IEC/UL 62368-1 | IEC 62368-1 includes the basic requirements for safety of audio, video, information technology and office equipment. |

**Compliances**

The product complies with following Guide Lines

| Identification                                                                      | Details               | Initiator   | Description                                                                                                                                                             |
|-------------------------------------------------------------------------------------|-----------------------|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <a href="#">REACH</a> | SCHURTER AG | On 1 June 2007, Regulation (EC) No 1907/2006 on the Registration, Evaluation, Authorization and Restriction of Chemicals 1 (abbreviated as "REACH") entered into force. |

Dimension [mm]  
AZZ04

AZZ05

AZZ51

Snap-on fastener

AZZ71 / AZZ72

- 1) CBE switchable
- 2) CBE not switchable

AZZ81 / AZZ82

- 1) CBE switchable
- 2) CBE not switchable

## All Variants

| Suitable for                                                                   | Type           | Designation                             | Poles       | Degree of Protection | Mounting                  | Order Number |
