

Samsung S2

Pebble Styled Portable MP3 Player

Make a splash with the new Pebble from Samsung. Impress your friends with the coolest, most unique MP3 player on the market. The beauty is in its shape and sound and doesn't look like your ordinary MP3 player.

You can fit approximately 500 songs or 30 hours of music in your pocket, around your neck or wherever you want for easy, convenient listening wherever you go.

The Pebble is available in five colours to match your tastes and personality. From coloured mirror finishes to marble white you'll find one that fits your unique style. The LED emits a glow beneath the Pebbles finish, changing colour based on the playback mode or user feedback.

The rechargeable battery gives you approximately 13 hours of playback. The compact USB adapter and lanyard style headphones are included.

The Samsung Pebble, imagine being unique again.

- Unique fashionable pebble-style player

- USB connection
- Available in 5 colours: black, green, red, purple, white

Samsung S2

Pebble Styled Portable MP3 Player

Features

Lanyard Earphones

MP3—The most common format in the market. These files can have near-CD sound quality and are compatible with most digital audio players.

WMA—Microsoft's Windows Media Audio file. WMA delivers MP3-like sound quality with better compression. Users can fit more music on their devices.

DNSe™ sound engine Samsung's Proprietary Sound Effect "DNSe portable" is a revolutionary sound technology, providing rich and more natural sound.

Multiple Playmodes: Normal, Shuffle, Favorites

Mobile Playlist supported

Battery: up to 13 hours of playback (Li-polymer).
