Static Transfer Switches Features & Benefits

Availability

Generator compatible

Ensures clean, uninterrupted power to protected equipment when generator power is used.

Serviceability

Front-access servicing

Simplifies installation and UPS maintenance while minimizing space requirements.

Manageability

Serial connectivity

Provides management of the UPS via a serial port.

LED status indicators

Quickly understand unit and power status with visual indicators.

LCD graphics display

Text and mimic diagrams that display modes of operation, system parameters and alarms.
