Sleeve is inserted into the elongated hole of the front panel

RoHS COMPLIANT

PRODUCT ATTRIBUTES

Material: Stainless Steel

Package Quantity: 100

Product Type: Sleeve

Works With: Front Panels

Net Weight: 0.07kg

*The price shown is the per piece price and does not include VAT. Depending on local conditions, packaging and freight charges might not be included. Where these charges should be part of the total price, they are included in the quote. The price given is a non-binding recommended retail price (RRP), which is the nVent list price. The final sales prices of local distributors may vary. Quotations requested or generated on SCHROFF.nVent.com are only valid for commercial customers (B2B). The lead time displayed above is an estimate for this item to be dispatched from an nVent Schroff facility. Transit delivery times are not included in this estimate, as transit time may vary, depending on delivery address, parcel dimensions, and other factors. Cut-outs and modifications placed in non-recommended areas ("collision detected") for configured products may be subject to additional engineering and/or design costs, which may increase initially quoted prices.

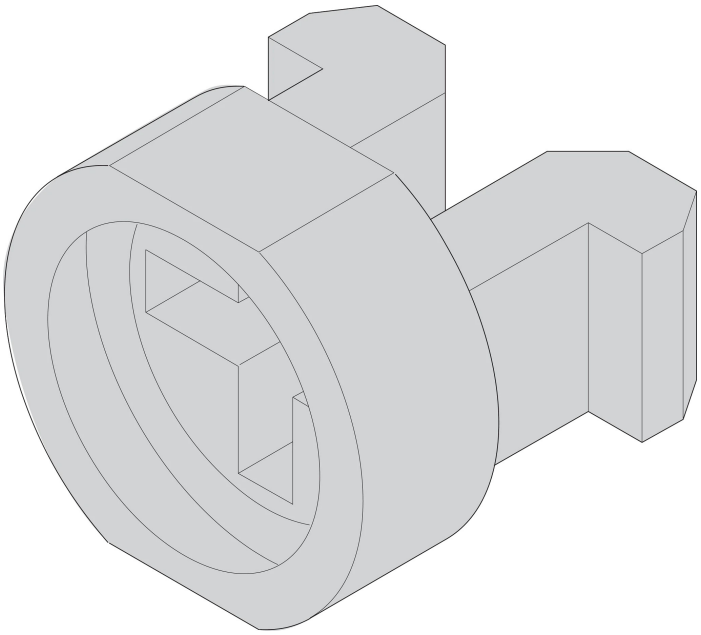

ADDITIONAL PRODUCT DETAILS

Metal sleeves on the partial front panels must be pressed in.

All sleeves can be used for front panel > 2 HP.
