Kingston Design-In SSDs

- Perfect storage solutions for system designers and builders

Overview

Kingston® offers a line of Design-In SATA and NVMe solid-state drives created specifically for system designers and builders. The line includes

- SATA 2.5-inch, mSATA, M.2 2242 and M.2 2280
- PCle Gen. 3 NVMe: M.2 2280

Design-In SSDs incorporate advanced controllers that automatically perform wear-leveling, garbage collection and other NAND Flash management features. They are a drop-in replacement for hard drives and deliver up to 20x greater performance as well as high reliability. Design-In SSDs incorporate next-generation 3D NAND Flash.

Key Benefits

System designers and builders rely on consistent storage products. Kingston offers the following benefits with the Design-In SSD product line:

- Locked BOM and Firmware Ensures there are no changes to key components after customer qualification
- PCN Support All generational changes and firmware updates are handled through a controlled and timed process
- Engineering Support Customers have a direct contact to their regional Kingston Field Application Engineering teams for fast response to storage requirement questions and support requests
- Global Support Kingston can coordinate SSD deliveries with a customer's Original Design Manufacturers (ODMs) or Contract Manufacturers (CMs) in other regions of the world, if required
- Warranty¹ For peace of mind, our Design-in SSDs are backed by a limited three-year warranty and free technical support.

For more information

Please contact your Kingston representative. This program is currently available in limited regions but will be expanded gradually.

1 Limited warranty based on 3 years or "Percentage Used" which can be found using the Kingston SSD Manager (Kingston.com/SSDManager). For NVMe SSDs, a new unused product will show a Percentage Used value of 0, whereas a product that reaches its warranty limit will show a Percentage Used value of of 0, whereas a product that reaches its warranty limit will show a Percentage Used value of greater than or equal to one hundred (100). See Kingston.com/wa for details.
