NOTE:

I connettori portafilo in possono essere montati a seconda della direzione del fascio cavo (che deve essere lo stesso per i tre connettori portafilo in serie):
 usato con i sistemi (filo associato BLACK) BLACK-BROWN-GREY
 usato con i sistemi (filo associato GREY) GREY-BROWN-BLACK
 usato con i sistemi (filo associato GREY) GREY-BROWN-BLACK

The female connector can be mounted following the wire exit (the direction has to be the same for the three in line connectors)
 LEFT wire exit (BLACK box side) BLACK-BROWN-GREY
 RIGHT wire exit (GREY box side) GREY-BROWN-BLACK

SIMBOLGIA QUOTE CRITICHE:

↑ Quote rilevante a fondo roschiato
(Dimensions checked at the Bottom of the box)
↑ Quote rilevante a all'imbocco

Basic Dimension for FCI (follow the geometric tolerances)

If the connector is supplied with the back grid in pre-locking position (The connector is supplied with the back grid in pre-locking position)
