PAL CASES

Model number: MW-PAL-CAS-0

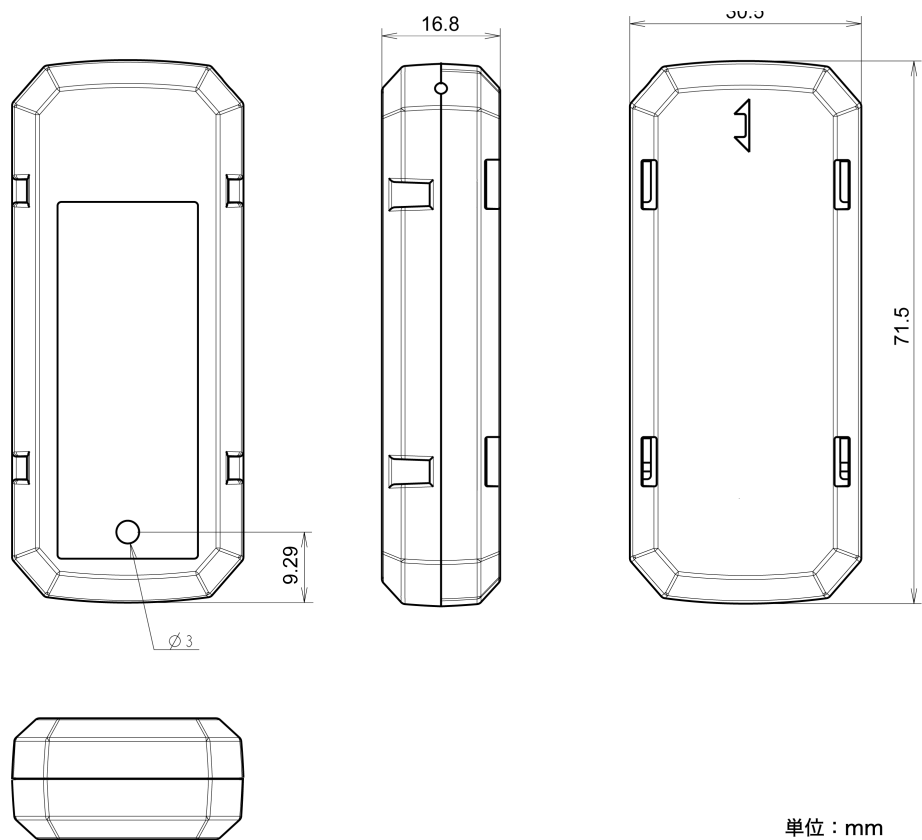

JAN: 4589512170730

Remarks: PAL-specific case

data sheet

Outline drawing

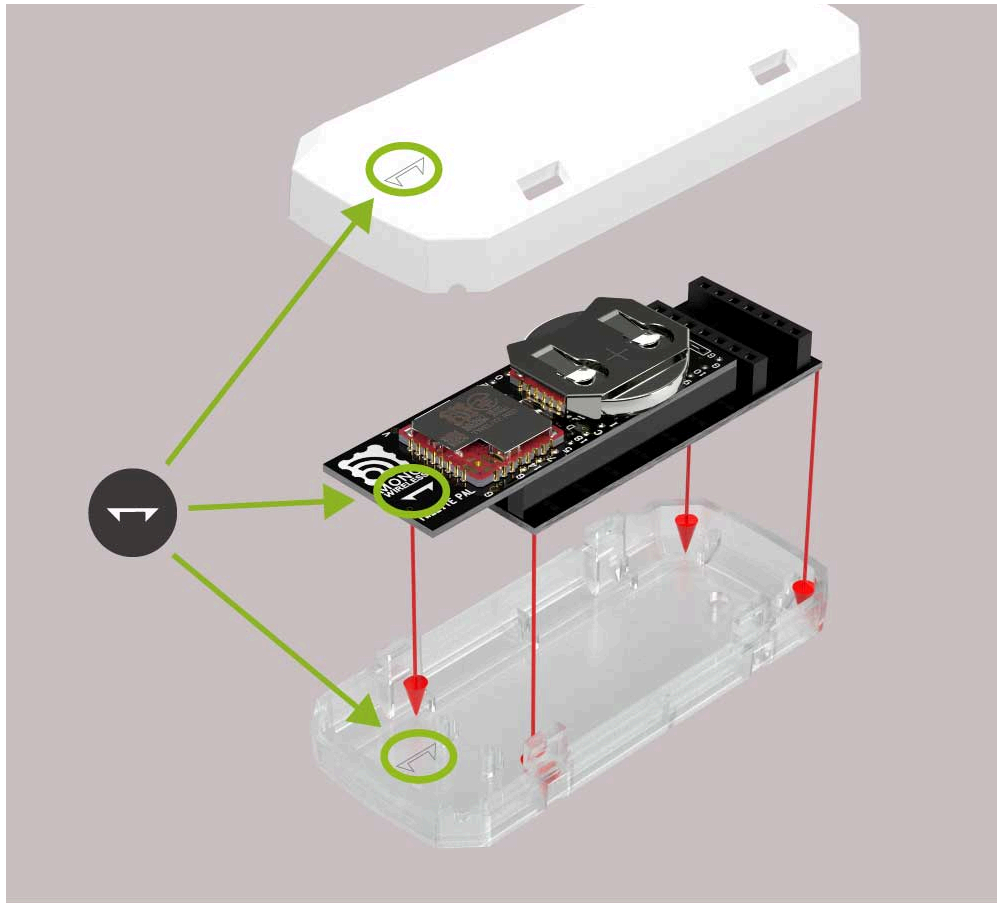

specification

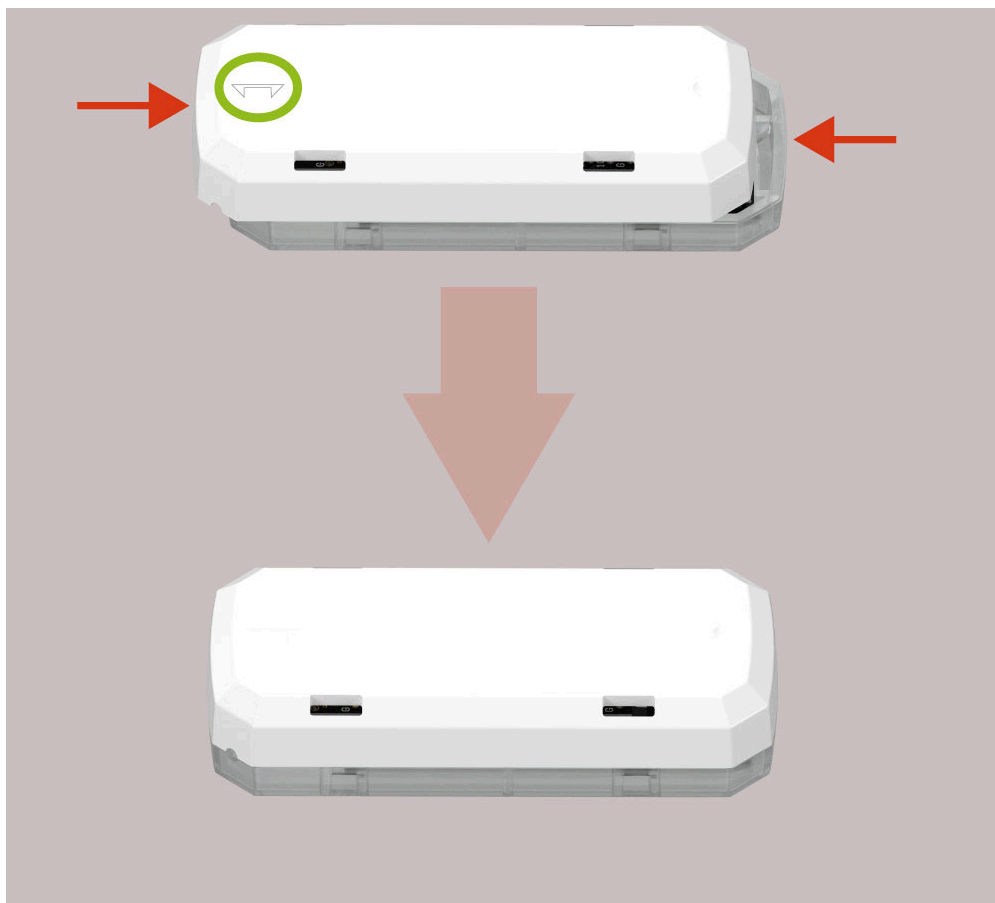

Material	Polycarbonate	
color	White (Top)	Transparent (bottom)
weight	11.2 g	

How to use

Align the antenna direction marks on each case with those on the TWELITE PAL, and then attach the TWELITE PAL to the transparent case.

Place the white case on top and slide it in the direction of the red arrow until you hear a click. (The case may be stiff when snapping it into place, so press firmly.)

To open the case, slide it in the opposite direction.

retailers

Monowireless products can be purchased at physical stores or online.
