FEATURES

For the first time in a long while we are happy to bring you our first limited edition shirt! This small light weight dark gray shirt has been emblazoned with the immortal words of our favorite golden robot thanking each of you, Makers. On the back of this fitted mens cut tee also has our SparkFun emblem and our moniker to Start Something.

These shirts do run small so may need to purchase a size larger to fit.

Note: This shirt is available only for a limited time. When that time is up this shirt will be replaced with the next design and the "Thank the Maker" shirt will be gone forever. Get it while you can!

No matter your vision, SparkFun's products and resources are designed to make the world of electronics more accessible. In addition to over 2,000 open source components and widgets, SparkFun offers curriculum, training and online tutorials designed to help demystify the wonderful world of embedded electronics.
