Description

Please read through the guide in Shenzhen 2 U before making any purchase in this catalogue.

23A Battery is an ideal power for projects that have strict volume requirement, because of its mini size and high capacity. Many products, like camera, remote control, music card and so on, have already adopted it. If you are searching for such a mini yet energetic power like 23A battery, why not stock one holder now.

Specifications

Dimensions: 35 x 12 x 11.5

Lead length: 150mm
