Details | More Information | Reviews

- Form-ground, knife-type blades for accurate, easy stripping without nicking conductor
- Laser-etched wire gauge for easy-to-read visibility
- Spring-loaded automatic opening
- Corrosion-resistant, black oxide finish
- Tough steel construction
- Strips 14-24 AWG solid, 16-26 AWG stranded

Invented and manufactured at our Sycamore Illinois facility, the T®-Stripper Wire stripper line is the leading brand name in the world for strippers. The industry standard for almost 50 years. Compact, lightweight and easy to use. Features precision-ground, knife-type blades, built-in looping holes, wire cutters and a convenient plier nose.
