

Specification Sheet

Part Number: 904-00297

Hand lever is ergonomically designed to reduce user fatigue.

Measuring guide incorporates both imperial and metric values which eliminates the need for secondary measurement devices.

Long lasting, hardened blade produces burr-free edges and improves productivity by eliminating the need for filing the edges after cutting.

Includes replacement blade and safety guide to ensure longevity, safety and proper use of the tool (replacements for both can also be purchased separately).

Article Number	904-00297
Type	Wiring Duct Safety Guide
Color	White (WH)
Quantity Per	pack
Product Description	The HellermannTyton bench mounted wiring duct cutting tool is used to accurately measure and cut all HellermannTyton slotted and high density slotted wiring duct, solid dividers and covers.
