|-----------------------------------|---------------------------------------------------------------|
| Name                              | MAWI 50 SB UM schwarz/black                                   |
|                                   |                                                               |
|                                   | angled plug with insulated handle; solder joint               |
| Delivery informations             |                                                               |
| Availability                      | available                                                     |
| Product description               |                                                               |
| Type                              | MAWI 50 SB UM schwarz/black                                   |
| Order No.                         | 931 572-100                                                   |
| Type of contact                   | male                                                          |
| Description                       | angled plug with insulated handle; solder joint               |
| Housing Color                     | black                                                         |
| Number of contacts                | 5                                                             |
| Conductor size                    | $\leq 0.34 \text{ mm}^2$                                      |
| Technical data                    |                                                               |
| LF output "Phone"                 | EN 60 130-09                                                  |
| Pole arrangement DIN              | DIN 41 524                                                    |
| Rated current                     | 4 A                                                           |
| Rated voltage                     | AC/DC 34 V                                                    |
| Cable diameter                    | 6.5 mm                                                        |
| Type of termination               | solder                                                        |
| Material                          |                                                               |
| Contact material                  | brass                                                         |
| Contact surface material          | tin plated                                                    |
| Contact bearer material           | PA 66/UL standard 94V-2                                       |
| Housing material                  | PE                                                            |
| Environmental conditions          |                                                               |
| Protection class (IEC 60529)      | IP 30                                                         |
| Temperature range                 | -20 °C to +60 °C                                              |
| Scope of delivery and accessories |                                                               |
| Packaging                         | industry package, box; individual parts not assembled, sorted |
