B2073	B3756	Filter Pipe for 817
B5081	B5184	Filter Pipe Assembly for FR-4001
B5105	B5185	Filter Pipe Assembly for FR-4101

Specification:

The material of the ceramic filters has changed from refractory ceramic fiber to a biosoluble filter.

Comments:

The HAKKO ceramic filters are being changed due to a change in manufacturer. While the new filters may have a slight difference in appearance, they will continue to meet HAKKO's superior performance standards and qualities. Part numbers will change as supplies of current filters are depleted.

These changes will reflect accordingly for all products that also include mentioned part numbers.
