MODEL NUMBER: P006-006-13RA

Computer power cord with right-angled C13 plug allows connection of a PC, monitor or printer in a tight space or at an awkward angle.

Features

**Desktop Computer Power Cord Connects PCs, Printers, Monitors and Other Equipment**This desktop computer power cord is designed for computers, monitors, scanners, printers and other compatible peripherals. It features a right-angled C13 end for connecting to a device and a 5-15P plug for connecting to an AC power source. The 6-ft. (1.83 m) length allows you some flexibility in placing equipment with respect to the power outlet.

**Right-Angle C13 Plug Makes Connecting in Tight Spaces Easier**The angled C13 connector makes installations easier in confined spaces, such as the back of a rack enclosure cabinet. When plugged in, the right-angled plug guides the computer power supply cable parallel to your peripheral, allowing you to push the device up against a wall or hide it behind a desk to maximize space.
