Gas flow sensor evaluation kit SFM3505

Specifications:

Enables the evaluation of any version of the SFM3505 sensor.

Included:

- 1 cable compatible with the SFM3505 sensor and with Sensirion's SensorBridge

What you need additionally:

- Sensor to evaluate: SFM3505-300, SFM3505-300-X
- Sensor bridge
- Download Control Center
