

2.4GHz U.FL Antenna - Panel Mount

WRI-16823 ROHS ✓

Retired Product

 This product has been **retired** from our catalog and is no longer for sale. This page is made available for those looking for datasheets and the simply curious.

DESCRIPTION

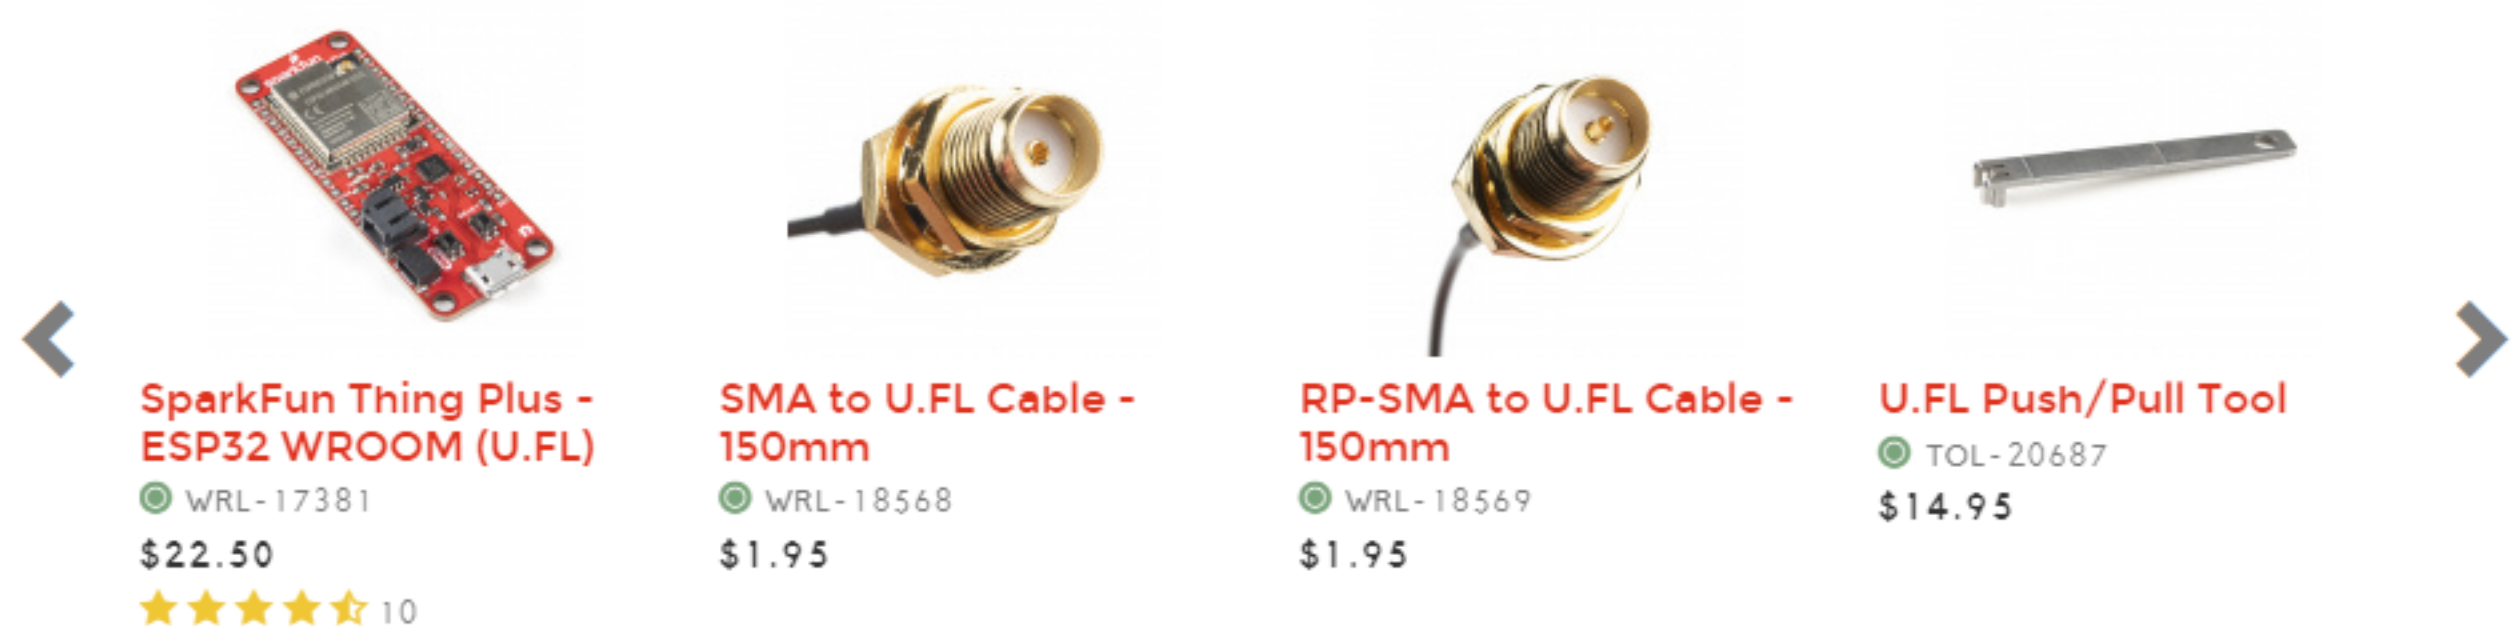

Duck antennas offer great range in a rugged option for wireless technologies. This 2.4GHz Antenna adds the ability to be directly panel-mounted. It plugs in through a 216mm cable with U.FL connector on the end. The Antenna itself is 105mm long. It works with most 2.4GHz technologies.
