

Click Boards Stand - 35 sockets

PID: MIKROE-5726

Click boards Stand, measuring 220x266mm, is a meticulously crafted PCB board designed to house up to 35 Click boards™. Its high-quality PCB material ensures both durability and an attractive appearance in a sleek white design. An array of 35 mikroBUS™ sockets (5 rows per 7 sockets) offers effortless compatibility for various Click board™ functionalities, ideal for electronics enthusiasts and professionals. Discover the Click boards Stand – a versatile and user-friendly solution for storing and exploring the world of Click boards™.
