"T" Display Enclosures *1592 Series*

ABS Plastic Enclosures and Accessories

RoHS

Key Features:

- Perfect for instrument or mobile data enclosures requiring a keypad and display.
- Available with either a solid display area or an opening with a clear lens.
  - Solid display area is 122mm x 85mm (4.8” x 3.4”) and will accommodate display boards up to 118mm x 60mm (4.6” x 2.37”).
  - Clear polycarbonate lens 102mm x 45mm (4.0” x 1.77”) and a plain mylar mask kit allows for installation of a wide variety of display boards with the protection of the clear lens and dressed by the mylar frame.
  - The lens fits snugly into the case and provides protection from dirt and dust.
- Molded from flame retardant ABS plastic with a UL flammability rating of UL94 V-0 in black or grey.
- The back of the case has been designed to accept a magnetic strip or hook and loop fabric mounting tab, available separately.
- The display area has been insert tooled in order to provide the capability of custom molding a low-cost display area to specific requirements.
- **Some chemicals can damage or weaken plastic. Please read our Chemical Resistance Statement under Downloads for more information.**
