

0

What is the sensitivity of this sensor? For example does it return voltage increments that can be read as 10cm,11cm,12cm, etc. I need a range sensor with a 1 cm resolution between 10 and 20cm for use with a Fez Spider kit via an eblock module.

Th

Jay Williams on Oct 19,2016

Hi there, all value are in our WIKI, about voltage increment or distance you can view.

Does this product with Arduino Uno REV3?

Eugene Lai on Oct 19,2016

Hi there, yes it is compatible with each other.
