DESCRIPTION

A cross-stitch kit that's also a resistor chart! Not only is this kit fun to make (and good for beginner stitchers), when it's all done it functions as a handy resistor reference chart. This Adafruit original kit comes complete with everything you need to get started:

- 14-count aida cloth - 15"x18"
- 6" embroidery hoop (Susan Bates "super grip lip" style)
- Two size 24 tapestry needles
- All the floss you'll need to stitch this design - 16 skeins in total
- Full color printed pattern and instructions

Finished design fits perfectly in a frame measuring 8"x10".

We have a complete guide to cross-stitching over on our [Cross-stitch Tutorial page!](#)

This fun project will give you about 40 hours of relaxing crafting enjoyment.
