Weight		6	g	

Features

- Thyristor for line frequency applications
- Junction coated, planar passivated die
- Long-term stability of blocking currents and voltages
- RoHS compliant
- Epoxy meets UL 94V-0
- International standard package

Applications

- Motor control
- Power converter
- AC power controller
- Light and temperature controls

Advantages

- Easy to mount
- Tab tin plated for surface mount
- Space and weight savings
- Simple mounting

Data according to IEC 60747

IXYS reserves the right to change limits, test conditions and dimensions
