INTRODUCTION

Get the most out of your smartphone, tablet PC, miniPC, and Raspberry Pi with this 16 GB microSD Memory Card. This high-performance memory card features read speeds of up to 98 MB/s for transferring music, photos, and videos and is UHS-1 enabled to capture Full HD video. Waterproof, temperature proof, magnet proof, and X-ray proof, this reliable memory card ensures your files remain safe during life's little mishaps. An included SD adapter lets you use the card with your devices.

Note: This product comes with SD adapter.
