

A Do not connect or disconnect under load. Metal housing parts shall be securely incorporated to protected ground.  
Remark for gold plated contacts:  
In order to avoid brittle inter-metallic connections, gold plated terminals have to be tin-plated in the solder area.  
All technical data have been measured in a laboratory environment and can be different during practical usage of the product. Any product information is for descriptive usage only and not legally binding, particularly the information does not constitute or provide any legal guaranties ("Beschaffenhaftungsgarantie" or "Haltbarkeitsgarantie").
