

Mounts with flat and round design, self adhesive RB8

RB-Series, Article number: 151-14089

 Images (12)

Features

- Flat design to use in applications with limited space
- One-piece self adhesive mount for quick and easy installation
- Can be used without cable ties offering process optimization
- Different sizes for various bundle diameters available
- Cost effective with easy application on smooth, clean surfaces

Certifications & Approvals

Application

RB-Series self adhesive mounts offer greater routing freedom and also reduce the risk of corrosion compared to screw fixing mounts. They are ideally suited for tool-free installation and can be re-opened and reused easily when cables need to be replaced. These mounts can be used without the need for additional cable ties. Offering process optimization in a variety of applications.

RB-Series is suitable for following markets and industries

Solar Energy Sector

Wind Energy Sector

Rail Transportation Sector

Electronics Industry

Shipbuilding

Defence Industry

Base Data

Colour	Natural (NA)
Description Short (BMEcat) (max. 150 characters)	Self Adhesive Clip with flat design 25x25 mm natural
Fixation Method	Pasting / Stick
GLOBAL PART DESCRIPTION	RB8-PA66-NA
Pack Cont.	5000 pcs.
Package Quantity per	pcs.
Product Family	RB-Series
Product Group	Mounts with flat and round design, self adhesive
Variant	Closed

Product Dimensions

Bundle Ø max.	8.0 mm
Height (H)	11.5 mm
Length (L)	25.0 mm

Nominal $\varnothing$	8 mm
Width (W)	25.0 mm
Width (W2)	12.7 mm

Material and Specifications

Adhesive	Synthetic rubber with base of polyethylene foam
Adhesive Operating Temperature	-40 °C to +60 °C
ELV compliant (Article 4 - 2)	YES
Flammability	UL 94 V2 (excluding adhesive)
Hazardous good	No
Material	Polyamide 6.6 (PA66)
Operating Temperature - °C	-40 °C to +85 °C
Specifications	

Logistics and Packaging

Competences

Ratchet P-Clamp for mounting cables and hoses

Discover the versatile addition to our range of metal and plastic cable clamps: the Ratchet P-Clamp. The innovative design makes it possible to fix wires, cables, hoses and pipes on a single mounting point in two separate work steps. Installers and maintenance engineers no longer have to hold the bundle and the clamp awkwardly in one hand whilst fixing them securely with the other.
