

Gesture Board USB Adapter

PID: MIKROE-1973

This **I2C to USB adapter** is specifically built for connecting our **Gesture Board** to a PC.

Specifications

Type	USB
On-board modules	I2C and USB adapters
Interface	I2C
Compatibility	IDC10
Input Voltage	5V (via USB)

Mikroe produces entire development toolchains for all major microcontroller architectures.

Committed to excellency, we are dedicated to helping engineers bring the project development up to speed and achieve outstanding results.

ISO 27001: 2013 certification of informational security management system.
ISO 14001: 2015 certification of environmental management system.
OHSAS 18001: 2008 certification of occupational health and safety management system.

ISO 9001: 2015 certification of quality management system (QMS).
