OVERVIEW

The Gold Series USB 2.0 cable provides maximum performance and connects your Mac to other peripherals. Our 24k gold-plated connectors ensure maximum conductivity. Now you can enjoy hot plug connectivity and support up to 127 devices on a daisy-chain configuration. Protected in our innovative Flextec jacket, this premium-quality cable is extremely flexible and perfect for use in tight areas.

COMPATIBILITY

MacBook Air	MacBook Air 11"	MacBook Pro 13"	MacBook Pro 17"
MacBook Pro	MacBook Air 13"	MacBook Pro 15"
