

# EBR2-380VAC

TE Connectivity has acquired the DIN Rail Terminal Block product range from ABB

Products → Low Voltage Products and Systems → Connection Devices → Terminal Blocks → Solution Series

## General Information

|                               |                                                                                                                  |
|-------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Extended Product Type:</b> | EBR2-380VAC                                                                                                      |
| <b>Product ID:</b>            | 1SNA010047R2300                                                                                                  |
| <b>EAN:</b>                   | 3472590100472                                                                                                    |
| <b>Catalog Description:</b>   | EBR2-380VAC Screw Clamp Terminal Blocks                                                                          |
| <b>Long Description:</b>      | EBR2-380VAC Screw Clamp Terminal Blocks -Rectifiers bridge - Grey - 18 mm Spacing G32, TH 35-7.5, TH 35-15 Rail. |

## Ordering

|                                |          |
|--------------------------------|----------|
| <b>Minimum Order Quantity:</b> | 1 piece  |
| <b>Customs Tariff Number:</b>  | 85371098 |
