Product Overview

Documentation

(2) Year On-Site Warranty Extension Service Plan for (1) Symmetra PX 80-100 kVA Battery Frame Features

Experienced Certified Field Service Engineer	Our factory trained Field Service Engineers are rigorously trained and tested on how to efficiently service our products, as well as on safety practices and electrical codes, offering our customers the highest level of service available in the industry today.
Technical support	Our experienced technical support engineers are available to answer your questions, giving you peace of mind knowing the help you need is there when you need it.
Labor and travel expenses included	Travel and labor expenses are included in most service contracts. Please see the statement of work for the service specifics.
7x24 Upgrade option	If you are like most businesses, you want your systems up and running during your busiest hours. In order to accommodate your busy schedule, APC offers an option to schedule services off hours. We will work with you to find a time when servicing your system is least likely to impact your productivity, saving your business time and money.
On site troubleshooting	While on site, our APC Certified Field Service Engineers, backed by years of industry experience, will diagnose any errors directly, ensuring accuracy of any corrective actions taken.
Parts included	Replacement parts & components are included with some service contracts. Please see the statement of work for service specifics.
