14.5mm Strip 10 ways 2 pcs

Code: A000086

Pair of 10 pin Female/Male header strips, very useful for Arduino board extensions. We use them extensively on Arduino Proto Shield PCB, but they are useful in any shield because of their height.

Features:

- Receptacle Style: Square
- Number of Ways/Pins: 10
- Pin Spacing: 2.54 mm
- Component Height: 23.5mm (Plastic body 8.5mm - pins 15mm)
