## Next-level speed for next-gen mobile

Samsung's blindingly fast LPDDR4X innovation for mobile devices is moving the global mobile DRAM market, driving smarter, inventive possibilities.

## Specifications

|                |                 |         |                   |
|----------------|-----------------|---------|-------------------|
| Density        | 32 Gb           | Org.    | x32               |
| Speed          | 4266 Mbps       | Voltage | 1.8 / 1.1 / 0.6 V |
| Temp.          | -40 ~ 125 °C    | Package | 200FBGA           |
| Product Status | Mass Production |         |                   |
