Product Description

Use U.S. electronics across Europe. One end of this power cord will work with most PCs, monitors, scanners, printers and other devices that use the 3-pin shroud power connector; the other end features a 2-prong Schuko European plug. The female connector plugs directly into device, while the male connector plugs into the standard European outlet. This premium, heavy duty, 14 AWG cord features a fully molded design for maximum durability and long life.
