Product Details

This user guide describes the hardware for the evaluation of the ADP5134 and includes detailed schematics and PCB layouts. The ADP5134 is available in a 24-lead 4 mm × 4 mm LFCSP package.

The ADP5134 LFCSP evaluation board has two step-down regulators with two LDOs that enable evaluation of the ADP5134. The evaluation board is available with an adjustable voltage option.
