

Innovative metal and plastic housing design

The robust plastic cable coupler hood for rectangular connectors with a direct cable entry and one lever is ideal for use in control systems.

Info

Lightweight, chemically resistant plastic housing Protection rating UL50E tested

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

Benefits

Housing in plastic or metal version for safe connections in the smallest possible space

Application range

Machine and equipment manufacturing Control engineering Electronic laboratory

Product features

Cable coupler hood 1 lever Straight cable entry
