Designed and Engineered by: Ferret Tools
Authorized Channel Partner: Jonard Tools

Introducing the new & improved Ferret Stick with grooved design to prevent your camera from twisting.

An ideal solution designed and engineered by Ferret Tools to enhance the functionality and multipurpose use of the Ferret. Work Safer. Work Smarter.

The Ferret Stick is an extendable rod made of high quality materials. Tough rust resistant lightweight stainless steel frame and non-slip rubber handle with a secure wrist strap at the bottom that offers excellent durability and versatility, both in terms of its length and construction. It extends up to 55" (140cm) in length with a 1/4" 20UNC thread, which is compatible with all Ferret products.

KEY FEATURES:

- Retractable length
- Stainless Steel
- Rust Resistant
- Lightweight
- Rubber grip handle
- Secure wrist strap
- Compatible with all Ferret products

Do not use the Ferret Stick near live power!
