WiFi-110E

802.11 b/g/n Mini PCI Card

Features

- IEEE 802.11 b/g/n standards
- Mini PCI Type III B interface
- Up to 300 Mbps data rate
- Qos, WMM, WMM-PS
- 2T x 3R MIMO technology
- XP/Vista/Win7 (32 and 64bit), and Linux
- Operating temperature 0 ~ 55° C
- Ralink RT2860T

Introduction

The module features 2T x 3R MIMO technology with better throughput and receiving distance with effective elimination of dead spots.

Packing List

Description	Quantity
802.11 b/g/n Mini PCI Card	x 1

Ordering Information

Part number	Specifications
WIFI-110E	802.11 b/g/n Mini PCI Card

WiFi-112E

802.11 b/g/n Half-size Mini PCIe Card

Features

- IEEE 802.11 b/g/n Standard
- Up to 150 Mbps Data Rate
- 64/128 bit WEP, WPA, & WPA2 Encryption
- 1T x 1R
- XP/Vista/Win7 (32 and 64bit)
- Operating temperature 0 ~ 80° C
- Atheros AR9285

Introduction

WiFi-112E is compliant with IEEE 802.11 b/g/n standard. The PCIe Mini Card is a highly integrated WLAN solution that lets users enjoy digital content through the latest wireless technology.
