## Ratings & Reviews

## Manageability

|                           |                                                                                                              |
|---------------------------|--------------------------------------------------------------------------------------------------------------|
| Microprocessor controller | Provides proactive control and real-time monitoring via a four line, eighty character, alphanumeric display. |
|---------------------------|--------------------------------------------------------------------------------------------------------------|

## Serviceability

|                      |                                                                                                                                                                                              |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Front service access | The system has full service, front access for routine servicing of components. Front access also narrows the footprint of the system making it possible for units to be placed side by side. |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### Availability

|                  |                                                                                                                                                                                                                                      |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Steam humidifier | Humidity is managed through a self-contained steam canister humidifier for maximum efficiency and ease of maintenance. The pure-steam canister maintains consistent capacity output, and requires very little scheduled maintenance. |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Protection

|                |                                                                                 |
|----------------|---------------------------------------------------------------------------------|
| Air filtration | Removes dirt and other particulates from the intake air for cleaner supply air. |
|----------------|---------------------------------------------------------------------------------|
