FEATURES

Please review product documents or contact us for the latest agency approval information.

Please Note: Use the Product Drawing for all design activity.

Product Type Features

Product Type Terminal Housing
Connector Style Receptacle
Wire/Cable Type Lead Wire

Configuration Features

Number of Circuits 3
Number of Positions 3

Body Features

Material PBT
Color Natural

Downloaded from Arrow.com.

Contact Features

Accepts Terminal Style Receptacle
Pin Diameter 2.29 mm [.09 in]

Dimensions

Wire Insulation Diameter (Max) (in) .134

Industry Standards

UL Flammability Rating UL 94-HB
