Part Number: *

or Type: *

Required Quantity: *

Reqmts date:
(dd.mm.yyyy)

Schurter Location:

Enter part number/type, quantity, ship date and Schurter location to find available on-hand inventory, as well as planned inventory by Schurter location. Contact your local Schurter sales office for lead-times on additional quantities. Use wildcards (*) for partial 'Part Number' or 'Type/Order code' to check several items at a time.

Note: Please place orders through your local Schurter company to ensure the quickest turnaround.In the event your local office does not have stock and your delivery requirement is immediate, your local Schurter company will order available stock from its affiliates.Drop shipments are possible, although not recommended due to varying import requirements and associated handling fees. Schurter’s established import channels provide the most seamless and economical transfer of goods through customs

Request timestamp: 08.12.2016 14:22:48
