Basic Information

Rated	250V-10A
Insulation resistance	DC500V, 100MΩ or more
Withstand voltage	AC2000V (1 minute)
Acquired Standards	UL and CSA standards (C-UL)
Key insulation	Phenol (UL94V-0)
Terminal brackets	PC terminal
Body color	B (black)
Usage notes	(1) When using as a standard product, please check the restrictions on the standard.
