Strain relief housing WINSTA® MIDI 3-pole

Implement your installation project with ease: The strain relief housing from the WINSTA® MIDI product line is the solution for error-free electrical installation. You can rely on the level of quality of WINSTA® components from WAGO for your electrical installation accessories too. The WINSTA® MIDI Pluggable Connection System with Push-in CAGE CLAMP® spring pressure connection technology facilitates precise electrification. Thanks to the built-in test slot, it is possible to check connections even when they are plugged in. That saves time and reduces installation labor and costs. A range up to 48 mm can be used for the strip length.

 $Lower \ costs \ through \ fast \ commissioning \ and \ elimination \ of \ service \ expenses - solutions \ from \ \textit{WINSTA} {}^{\text{o}} \ \text{MIDI}$

The WINSTA® Pluggable Connection System allows pluggable electrical installation. This significantly reduces the need for servicing and lowers costs. Enjoy the benefits of the pluggable version of our maintenance-free spring pressure connection technology too! Plan your installation with with protection against mismating from WAGO.

- pre-assembled versions
- · rapid, structured electrical installation
