## APC NetShelter Cable Management, Cable Ladder Wall Termination Kit, Black

AR8465

### Overview

|              |                                                                                                                        |
|--------------|------------------------------------------------------------------------------------------------------------------------|
| Presentation | A solution for those applications in which a ladder must terminate at a wall rather than at another rack or enclosure. |
| Lead time    | Usually in Stock                                                                                                       |

### Main

|                           |                    |
|---------------------------|--------------------|
| Product or component type | Cable ladder       |
| Provided equipment        | Installation guide |

### Physical

|                            |                    |
|----------------------------|--------------------|
| Colour                     | Black              |
| Height                     | 102 mm             |
| Width                      | 356 mm             |
| Depth                      | 76 mm              |
| Net weight                 | 1.18 kg            |
| Mounting preference        | No preference      |
| Mounting mode              | Not rack-mountable |
| Permanent permissible load | 52.2 kg static     |

### Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 12.7 cm |
| Package 1 Width              | 8.3 cm  |
| Package 1 Length             | 38.1 cm |
| Package 1 Weight             | 1.64 kg |

### Contractual warranty

|          |                           |
|----------|---------------------------|
| Warranty | 2 years repair or replace |
|----------|---------------------------|
