### Description

The starter “Casual L3D Cube” is your light show on the go, for home, dorm, or office use. Illuminate your life with interactive music visualizations. Assembly takes less than 30 minutes — absolutely no programming required!

What's included:

- 216 full-color LED lights
- 10 preloaded visualizations
- Built-in accelerometer & microphone
- Exclusive access to free visualizations at L3DCube.com

### Features

#### Lights and Music

- Just like its predecessor, the 6x6x6 L3D Cube comes with a microphone for the most visually arresting sound visualizations on the block!

#### Shake it Like a Polaroid Picture

- This motion-reactive feature brings your L3D Cube to life.
- Switch visualizations by shaking it from left to right.

#### Matrix Pre-loaded

- Your cube comes locked and loaded with 10 visualizations. Enough to entertain you for hours on end. Download new sets of visualizations via CubeViz on L3DCube.com.

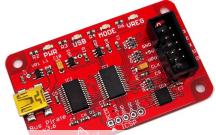

Specification
